Villa near Playa de aro North Costa Brava, a very pleasant area where the villa is located, many places for walking And to the sea on foot

Wonderful villa in the prestigious urbanization of Torra Valentino, in the territory of which there are only luxury villas with well-groomed territories and pools. The villa is new (built in 2010), spacious (350 m2), modern - with design solutions, furniture and light; It has an excellent location and panoramic views. On the ground floor there is a dining room with a fireplace, a kitchen equipped with the latest trends, a living room with a comfortable corner sofa and a TV, a guest bathroom here, as well as a room for modern housework equipped with modern appliances. From this zone there are several exits to the terrace (50m2) with panoramic views of the sea and pine trees. On the ground floor there are five bedrooms, two of which are suites with private bathrooms and large beds, one of the bedrooms has a special size bed 2000x 2000 and large comfortable wardrobes, in the fourth room there are double and single beds, a desk. Four bedrooms have access and beautiful views of the garden (flat lawn - 1200 m2 with autowatering) and a swimming pool (15 meters). There is also a staff bedroom (single bed and wardrobe) with an individual toilet and shower on this floor. Cable TV, 2 TVs, high speed internet. The villa is exclusively stylish and high-quality furniture, pastel linen, lamps, plumbing. Ceiling fans in every bedroom. Air conditioning on the top floor.

Garage and outdoor parking (for 2 cars) Comfortable accommodation in the villa - 8 - 10 people Bedrooms - 5 (double beds - 4, individual - 2) Bathrooms - 4

The villa is located 5 minutes walk (steps) from the equipped sandy beach, framed by cliffs and pines - which the Costa Brava is so famous for. The closest beach to the villa is Torra Valentino with a shallow entrance, it has been awarded the blue flag, international environmental awards.

There is a descent to the beach without steps, a descent is possible by car (2 min), an ascent on a tourist open bus is organized (from 7 am to 10 pm).

The beach passes on the one hand into a walking ronda along secluded bays, on the other hand into the modern promenade (reconstruction of 2018) - ideal for jogging, evening walks. There are restaurants and bars along the coast.

A supermarket, a deli shop, a freshest seafood store, and a bakery are 5 minutes away. by car
