Brand new (2017) elegant residence is perfect for those who search for the highest level of comfort, security and privacy while being close to the beaches, Marbella's Old Centre, fashionable Puerto Banus, international schools, golf courses and all the amenities of Southern Spain. Stylish modern features and elements both in architecture and interior design have been ideally added to classic Mediterranean ones to create a distinct, exquisite look of this property. Modern materials coexist in harmony with traditional noble wood and precious marble, classic style soft furniture - with modern pieces and contemporary twist, and fashionable restricted neutral palette - with splashes of bold colours and vibrant accents breathing life and personality into the space. Luxurious villa offers a spacious living room with access to the pool.
