Semi-detached house Three bedroom located just 2 minutes from Playa de Muro.

This house is the perfect choice due to its proximity to one of the longest and most beautiful beaches in Mallorca - Playa de Muro. This 5.2KM beach offers long walks and turquoise waters.

The house has three bedrooms: two of them with a single bed in each and the other bedroom has two single beds. There is the possibility of adding an extra guest at an additional cost (upon request).

In the main entrance is the fully furnished living room followed by the dining room and the kitchen. In the latter you can find amenities such as microwave, oven, toaster, kettle, refrigerator, coffee maker, etc - all at the guests' disposal.

In addition, the house comes equipped with several elements that will make the stays even more comfortable: air conditioning, sheets, towels, washing machine, barbecue, dishwasher, television and Wi-Fi connection, among others.

The outdoor area is divided into two areas: a back terrace with lawn and area with table and chairs and a front at the entrance of the house with a balcony with chairs and table.

Playa de muro is in the municipality of Muro, in the north of the island. The whole area is full of life with bars, restaurants, supermarkets, gas station and many other services. The beach itself is wide, safe and sandy, which makes it perfect for playing in the sand or walking the shore quietly.
